Donation Form

The Lakeville South High School Boys and Girls Cross Country Running teams are hosting a team relay run on Friday, August 28th, 2009 around the LSHS fields. This relay run is designed to build team spirit and help our team raise funds for equipment, uniforms, stipends for volunteer coaches, banquet supplies and team awards, t-shirts for runners of the week and other team incentives and needs.

Any contribution is greatly appreciated and will go a long way to helping our program continue to grow successful, lifelong runners.

Thank you!
