Teachers,

Please take a few seconds out of your busy day to provide us with a grade estimate and any other information about the student-athlete. We hold academic progress and success as a priority in our program. We will use the information to hold our student-athletes accountable for their conduct and progress in your class. If you have any concerns that cannot fit on this sheet feel free to contact either of the coaches…our information is below.

Thank you very much for your time and assistance,

Perry Wilkinson, Head Coach (952-240-5322, perrywilk@msn.com)
