

10th Annual Lakeville South Cougar Soccer Camp

What- A soccer camp designed for girls who want to have fun while learning the great game of soccer and for those who want to take their game to the next level. There will be two camps, one for grades 9-12 and one for grades 5-8. (Grade level is dictated by the 2010-2011 school year)

When- Camp will run from July 26- 30 from 9am-1130am. Both camps will run at the same time, we will have plenty of coaches on hand to assist in the training.

Where- Camp will be held at the LSHS soccer fields located just west of school on 210th street. Pull into the gravel parking lot at the top of the hill, the fields are directly below.

Who – Camp is run by the LSHS Girls Varsity Soccer coaching staff, including head coach Dan Flood and assistant Heidi Hillard. Guest coaches include Jenny David, Allison Henke and former players who are playing soccer in college. Our college players are able to give the campers a unique look at what it takes to play at DI, DII and DIII. We are proud to say that this excellent group of coaches has been instrumental in bringing girls soccer in the city of Lakeville to 8 state tournaments in the past 10 years, LSHS to the state tournament 4 years and counting and the FIRST STATE CHAMPIONSHIP in LSHS school history in 2007!

HOW MUCH – Camp is \$95 per player and includes a t-shirt. (Make checks payable to the COUGAR BOOSTER CLUB)

ALL CAMPERS- please bring a ball, proper shoes, shin guards, water and sun screen.

Registration- please cut out the form below- registrations due July 13th
